

Dans la  
classe

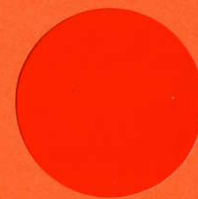

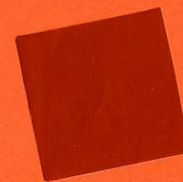

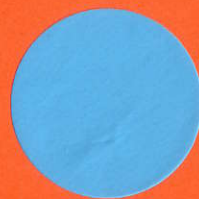

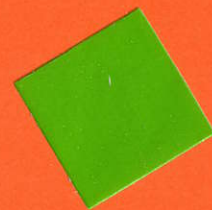

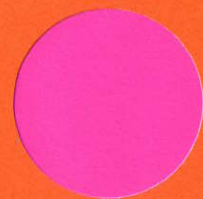

On joue ...

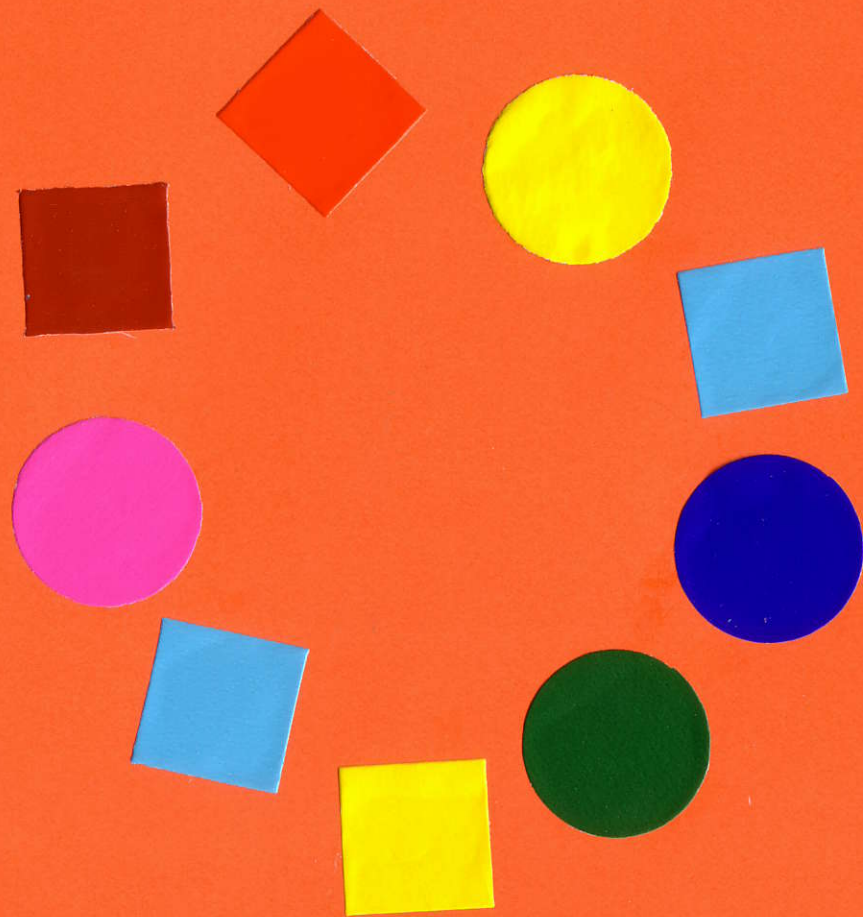

Il y a des  
filles et des  
garçons.

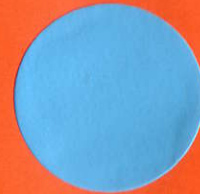

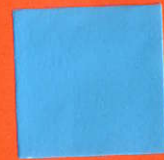

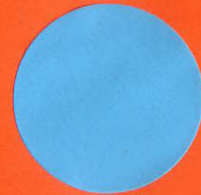

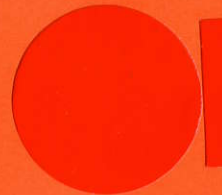

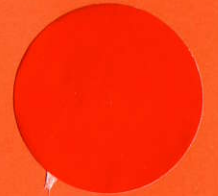

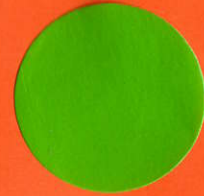

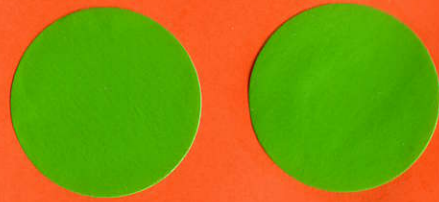

On parle  
avec la  
maîtresse ...

En fait  
la ronde

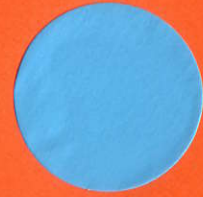

En travail  
en ateliers

En se range

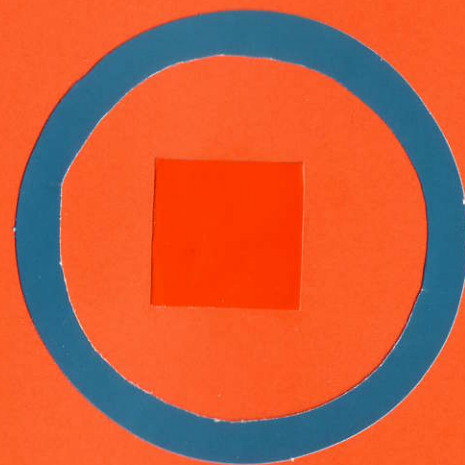

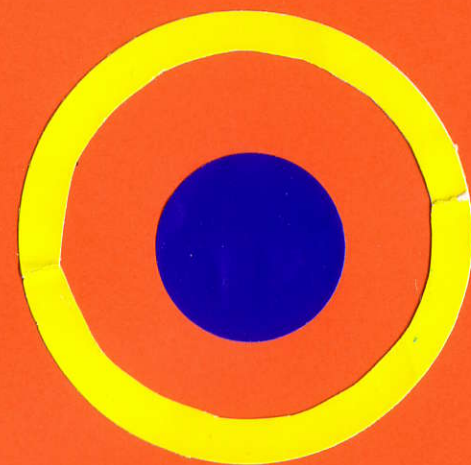

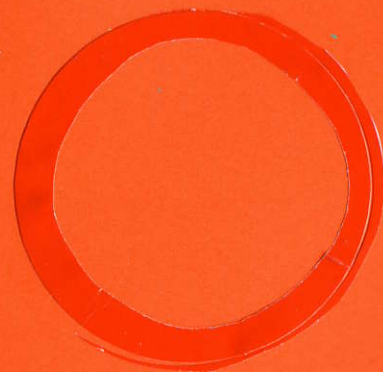

2 par 2

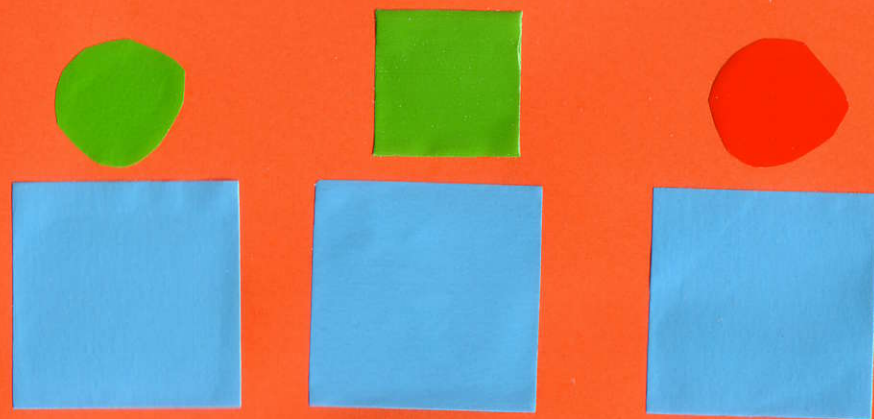

Dans la  
cour, il y a  
des grands et  
des petits

Des fois, on joue  
à être dedans  
ou dehors

ou en marche  
sur des cubes

Et puis, c'est  
l'heure des  
mamans.
